

2015 Jaime Padron Scholarship Award Winner

Hello Officer Bylsma

I will be continuing my education by attending Angelo State University. I plan on getting my bachelor's degree in physical therapy with a minor in Criminal Justice. Once I get my degree in physical therapy, I plan on working for someone to gain experience. Eventually, I want to be able to give back to this community that has given my family and I so much. I see myself going to the local high schools to help and teach students and athletes how to prevent and/or manage their condition. Just like I have seen my father done many times before in his profession as a law enforcement officer, I have a desire to help others.

I would like to thank you and the other members of the Blue Knights, as well as the San Angelo Area Foundation, for this honor. I would also like to say a special "Thank You" to the Padron family for continuing to give back to the community like Officer Jaime Padron did and have continue to do to this day. Thank you again for all you do for our wonderful city.

Respectfully,

Michael Muncey
