

Water Valley Loop - 77.5 miles

Take the road to Robert Lee again, lots of curves and scenery. In Robert Lee take 158 towards Sterling City but after about 5 miles turn left onto RM 2034. This takes you through a few nice elevation changes and curves. When you get to Water Valley on 87, turn south and head back into San Angelo.

Good starting point: Stripes, 802 E 19th Street. Take Armstrong Street (TX 208) north to Robert Lee. In Robert Lee, make a sharp left turn onto 158. Follow about 5 miles to RM 2034 (Harmon Road). Follow 2034 till it hits US 87 just west of Water Valley. Turn left on 87 and follow it back to San Angelo. As an option, you can go past 87 on 2034 one block to Old Sterling City Hwy, turn left and follow it till you get back onto US 87. Fuel available: San Angelo, Robert Lee, Water Valley
